PERSONAL DETAILS

Date of Birth : 29/06/2001
Marital Status : Single
Nationality : Indian
Religion : Hindu
Gender : Female

OBJECTIVE

To work in an environment which encourages me to succeed and grow professionally where I can utilize my skills and knowledge appropriately.

EDUCATION

2022 - 2024	Master of Computer Applications University College for Women, Kakatiya University 70%
2019-2022	Bsc.Mpcs NSV Women's Degree College 82%
2107-2019	Intermediate Sri Chaitanya Junior College 85%
2016-2017	SSC Taxila High School 97%

SKILLS

C
Python
HTML
CSS

PROJECTS

Semi - Supervised Machine Learning Approach for DDoS Attack Detection
A semi-supervised machine learning approach for DDoS attack detection combines labeled and unlabeled data to identify malicious traffic patterns more effectively. In this project, the model is trained on a small set of labeled attack data alongside a larger set of unlabeled traffic data, allowing it to detect new, unknown attack vectors. By leveraging clustering and anomaly detection techniques, the model enhances accuracy and adaptability in distinguishing between normal and malicious traffic, making it an efficient solution for real-time DDoS attack mitigation in network security systems.

Mini Projects

Travelling Website, Calculator, Digital Clock, Expense Tracker, Note Taker, To - Do - List using HTML, CSS and JavaScript

CERTIFICATIONS

Master Course in Full Stack Development from Great Learning

Python Course for Beginners from Scaler Topics

Trained by TASK team (Telangana Academy for Skill and Knowledge)

Trained by Magic Bus India Foundation

STRENGTHS

Communication Skills

Time Management

Positive Attitude

Decision Making

LANGUAGES

English

Telugu

INTERESTS

Playing Chess

Internet browsing

Traveling

Listening Music

DECLARATION

I do hereby certify that the Information and particulars furnished above are true and accurate to the best of my knowledge.
